## THE MOVIE

Shalom Y'All,

Happy New Year! First of all, I want to thank you for your prayers, financial support, and for coming alongside as we move forward with **the movie** "*Rainbow in the Night: Goldie's Journey of Redemption.*"

**It's getting more & more exciting as the wheels are turning towards the movie production! Here's the latest update:**

A couple of weeks ago, I met with a VIP in person, whose name is Matt. He will be handling the production and filming for the movie. He was very excited to start moving forward and suggested we film a mini-trailer to promote the movie.

The following Monday, January 24th, the filming was scheduled. It was a glorious sunny day, and we felt the presence of the Lord in a very palpable way.

Matt suggested that I start telling my story from my heart without the script. Because the Lord was prompting, I can't even remember exactly what I said. Matt felt that it came across with authenticity and vulnerability. We both sensed the Lord's anointing. There were so many people praying that I felt a very deep sense of peace throughout the filming process.

### **The Dual Purpose for the Movie's Mini-Trailer**

The purpose for the movie's mini-trailer is to promote the movie AND provide an opportunity for the viewers to donate to the nonprofit fund so that we can begin the actual production. The movie will most likely take a year to complete.

**I am very excited to announce that \$7,475.00 in donations has been raised since December 15, 2021, just from the monthly newsletter! Praise the Lord!**

At this point, the email list for the newsletters is comprised of friends, family, and colleagues. I have a sense that it will not take long to raise the budget of \$50,000 when more people get to see the movie's mini-trailer and witness firsthand the hope and encouragement that this film will bring "for such a time as this."

**Here are some photos from filming the movie's mini-trailer:**

together!

### On Another Note...

I attended a Christian film festival in the summer of 2021, and the MC shared that faith-based movies depicting true life stories are the most popular, especially now with all the uncertainty in our world.

My hope, prayer  
and vision is that  
the Lord will do  
for others what  
He did for me.
