

RAINBOW IN THE NIGHT MOVIE MEDIA KIT

Jane "Goldie" Winn BIO

Jane "Goldie" Winn, MSS, has a master's degree in social work and is a certified life coach. Currently she serves as a client advocate at a pregnancy resource center in Palm Beach County. Goldie has been serving in pregnancy resource ministry since 1997. She served in a variety of roles, but her greatest passion is counseling women who are abortion-determined and in the throes of making decisions about their unborn babies. Goldie is able to share the story of her own traumatic second-trimester abortion to convey to the clients that abortion is not the quick, easy fix that is often portrayed in our society.

As a best-selling author and seasoned inspirational speaker, Goldie has had extensive experience speaking nationally and internationally on a variety of topics born out of her own life story: *Rainbow in the Night: A Journey of Redemption*. Her book was published in December 2019 and took 20 years to complete!

Her story is also now featured as a full-length narrative documentary movie, ***Rainbow in the Night: The Miraculous Life Story of Jane "Goldie" Winn***. The movie was nominated for Best Storytelling Documentary and Best Biography Film for Content 2023 Film Festival in Dallas, Texas.

Goldie and her soul mate Dave reside in Delray Beach, Florida, and have been happily married since 1974.

Looking to book an impactful and life-changing experience at your church, Messianic congregation, women's event, retreat, fundraiser, or other special event? Goldie is available to speak and show the movie along with a book signing. Visit her movie website for movie screening reviews!
