

“So if the Son sets you free, you will be free indeed!” John 8:36 (NIV)

Shalom y'all,

I can't believe how much time has gone by since the last newsletter. This is our first newsletter for 2024 and so much has happened with the “Rainbow in the Night” movie that I will just summarize the highlights.

I am truly in awe how the Lord is using this movie to touch so many lives by bringing hope, encouragement, and healing. I am beyond blessed how the Lord is using my life story in such a powerful way. I knew even before the movie was produced that the main purpose is to open people's hearts to experience Yeshua's (Jesus) love in a very deep way and to know that when we totally surrender our painful past to the Lord, we can experience true freedom and joy!

REACHING SPANISH COMMUNITIES WORLDWIDE

First I'd like to share this amazing news! At one of the movie screenings, an Hispanic man requested we add Spanish subtitles to the “Rainbow in the Night” movie. It was a thrill when our movie producer found a company that did an excellent job. Now Hispanic people all over the world will be able to watch the movie with the Spanish subtitles.

When Mike and Cheryl flew down to the **"Rainbow in the Night" Movie Premiere at Movies of Delray in Delray Beach, FL, on June 4, 2023** ([click to see PREMIERE pics](#)), they invited us to fly up to PA for a movie screening to be held at their church in the spring of 2024! It was a thrill to be invited, and so many friends we have known for over 40 years came from far and wide to attend the movie screening! It was quite a reunion!

UPCOMING MOVIE SCREENINGS

We are very excited about the upcoming movie screening in Molalla, Oregon in July. Stay tuned for more details. Goldie will be attending the National Care Net Conference in Aurora, Colorado (September 2-5, 2024). It is quite an honor that Goldie will be sharing clips from her traumatic second-trimester abortion for a special session to be held on September 5th. It will be a wonderful networking opportunity with pregnancy care center staff from all across the United States and Canada.

My heart is full to see so much healing and hope take place at each movie screening. I am very grateful that women who have had abortions and are hurting are coming forward for healing after hearing my traumatic second-trimester abortion story.

Thankfully, I always invite someone from a local pregnancy center to be present at the movie screenings so women can be referred for post-abortion counseling when needed.

Stay tuned as more movie screenings are being planned, and we are excited to see how the Lord will continue using the

"Rainbow in the Night" movie for His glory, especially during these very challenging times in our country and around the world.
