Jane “Goldie” Winn BIO

Jane “Goldie” Winn, MSS, has a master’s degree in social work and is a certified life coach. In December 2024, Goldie retired from her position as client advocate at a pregnancy resource clinic in Palm Beach County, FL. Goldie has been serving in this life-affirming ministry since 1997 while still living in PA. Over the years, she served in a variety of roles, but her greatest passion was counseling abortion-determined women who were in the throes of making decisions about their unborn babies. Since Goldie had a second-trimester abortion in 1970, she knows firsthand about the emotional pain, abortion trauma, and wound to the soul after abortion.

As a best-selling author and seasoned inspirational speaker, Goldie has had extensive experience speaking nationally on a variety of topics born out of her own life story: *Rainbow in the Night: A Journey of Redemption*. Her book was published on Amazon in December 2019 and took 20 years to complete!

Goldie’s story is also now featured as a full-length narrative documentary movie, *Rainbow in the Night: The Miraculous Life Story of Jane “Goldie” Winn*, and distributed nationally and internationally by Vision Video/Redeem TV. The movie was nominated for Best Storytelling Documentary and Best Biography Film for Content 2023 Film Festival in Dallas, Texas.

Goldie and her husband Dave reside in Delray Beach, FL, and have been happily married since 1974.

Looking to book an impactful and life-changing experience at your church, Messianic congregation, women’s event, retreat, fundraiser, or other special event? Goldie is available to speak and show the movie along with a book signing. Visit her movie website for movie screening reviews!
