

Shalom y'all,

It's been a very busy season and quite a while since my last newsletter.

I am very blessed that the Lord is using the "Rainbow in the Night" movie to bring hope and healing to so many people.

Since Vision Video is now distributing the movie, it is currently available on Redeem TV and Tubi. It is also on their YouTube channel, and 2.5K have viewed it over the last few months. It's very exciting to know that people are watching the movie all over the world and eventually more streaming platforms will be added. My prayer is that everyone who watches the movie will receive hope, healing, and encouragement. When we totally surrender our painful past to the Lord, we will have true freedom!

"He who the Son sets free is free indeed!" John 8:36 □

RECENT LIFE-CHANGING MOVIE SCREENINGS

Shoreside David Messianic Synagogue in Tampa, FL, invited us for a movie screening on March 22, 2025. It was a wonderful reunion since we've known Rabbi Steve Weiler and his family for over 30 years and we hadn't seen each other for many years. People were deeply touched, and much healing took place.

Movie Screening Review from Lisa W. in Tampa

"Hi Goldie, just wanted to follow up and say thank you for bringing your movie to us. The consensus was...we were all riveted. Everyone I talked to had such wonderful things to say about the production. My husband and I own a media company, and from our perspective, the folks who stepped up to produce this for you did an extraordinary job of framing and presenting your narrative beautifully and professionally. We were really impressed--and I'll be honest, we're not so easy to impress! Lol!" ([Click here to read Lisa's full review!](#))

Dove Ministry Events sponsored a movie screening on May 4, 2025, in Pompano Beach, Florida. There were people in attendance with different faiths, and the movie was received very well. There were deep and meaningful conversations that took place after the movie.

DOVE
EVENTS & DIGITAL STRATEGY

STAY TUNED! There are several movie screenings that will be scheduled soon in different parts of the country as well as some local screenings in Florida. What a blessing to witness first hand how the Lord is using the movie to heal and encourage so many people. There have been many women coming forward after the movie screenings sharing about their past abortions and requesting post-abortion counseling. Some have never told anyone about their abortions, since sadly, there is much shame and guilt associated with abortion.

By sharing my traumatic second-trimester abortion story in the movie, it opens up deep wounds that have been suppressed for many years for women who have had abortions in their past. Thankfully, I am in contact with local pregnancy centers wherever we go to ensure post-abortive women can take advantage of abortion recovery Bible studies so they can close that chapter of their lives. So many women like me have become post-abortion facilitators after their healing, as we can “comfort others with the comfort we ourselves have been given.” (Read 2 Corinthians 1:3-5)

I'm so excited to share this with you!

Over the past few months, I've been pouring my heart into helping bring something really special to life—and now it's almost here! **SistHERS of Zion Women's Summit** is happening **June 6-8, 2025**, at **The Country Club at Mirasol in Palm Beach Gardens**, and it's more than an event—it's a space for transformation, healing, connection, and real unity with other **SistHERS**. All faiths are welcome to attend.

We will also be hearing from organizations helping Israel with “boots on the ground.” There are still so many people displaced after the brutal October 2023 attack by Hamas and recent terrorist activity and fires. People will have an opportunity to donate to these nonprofit charities who are making such a difference in Israel. ☆ □ □ □

I am honored to be one of three women who founded **SistHERS of Zion** and will be co-chairing the event with Midge Lansat and Eileen Lemelman. We are excited to birth our vision and see women step into their next level of purpose, leadership, and sistHERhood. If that’s you (or someone you know), I would love for you to be there. □

We have powerful speakers, breakout sessions, deep conversations, beautiful music, fun, and delicious food prepared by Mirasol Country Club’s five-star chef! It is an elegant venue, and we will pamper you throughout the weekend!

You will be surrounded by a sistHERhood that sees you, celebrates you, and loves you! ♥

We hope you will be a part of our exciting inaugural summit. It would mean so much to me to have you there. ☺

OUR BOGO GIFT TO YOU FOR THE MONTH OF MAY

We know times can be tight, and we didn’t want anything to hold you back from the breakthrough waiting for you. This is our gift to you—for the month of May, we are running a special promotion—**Buy One, Get One Free!** Plus there is a price reduction to make it even easier for you to attend.

The price is only \$257 for the 3 days, which includes meals and all of the events including the concert with Marty Goetz and his daughter Misha on Sunday morning.

This **MAY BOGO** makes it even easier for you and someone you love to join us. Lodging is not included, but there are hotels in the area with off-season prices. When you register, we will give you a list of hotels close to Mirasol. If you fly into Palm Beach International Airport, you will not be too far from the venue.

You can register for the SUMMIT by scanning the QR code or visiting sisthersofzion.com and click on the **Buy Tickets box at the top of the home page.**

Please let me know if you registered! I will be very excited to welcome you! □
